Typographia Cowork is a shared working space designed for entrepreneurs, freelancers and companies looking to harness the advantages of sharing a pool of resources and the synergies of interaction and professional versatility for growing their businesses.

Located in “Cordoaria” area, it is a centennial building in the heart of **Porto’s Historic Centre**, offering its users excellent working conditions and a privileged and inspiring spot for contemplating the city.

Set in what was once the city’s traditional printing office, it was now renovated with respecting for the building’s identity, providing it with new and modern conditions, ideal for a coworking environment.

Apart from the Cowork Room, Typographia has a beautiful room that can be used as a **private office**.

It has 36m² and it's equipped with a table (145mmx297mm), chairs (like the ones in the picture or office chairs) and air conditioning system.

Room users have access to Wi-Fi and common parts of the coworking space, such as reception area, kitchen, lounge area, WC and outdoor patio. Meeting rooms may also be available for use upon request.

The ceiling of this room was rehabilitated and it's the main attraction of Typographia!

Established in 2015, Typographia was one of the first coworking spaces in the city. In 2019, it won the **Coworker Members' Choice Awards** for best coworking space in Porto, according to its users.

Coworking is more than a place to work; it's where communities are built! More than 100 people with 12 different nationalities have been to Typographia.

Numerous personal and professional connections were born from the interaction of members of the space, and that is the main goal of Typographia Cowork!
