

STRATEGY. ADVISORY. GROWTH.

About Council Global

Council Global is a strategic consulting firm established in 1985, helping companies make high-impact decisions involving investment, restructuring, growth and business transformation.

We combine financial, strategic and corporate advisory expertise to support complex business decisions with a practical and execution-oriented approach.

What sets us apart

We support companies at critical moments, bringing multidisciplinary expertise, business pragmatism and a strong focus on execution and value creation.

We combine technical expertise with strategic insight, delivering solutions tailored to each client.

Trusted by companies across multiple sectors and business stages.
