BECOMING THE GLOBAL PLATFORM FOR INTELLIGENT OPERATIONS

2015

Infraspeak is born!

Infraspeak is founded with the vision of becoming the global platform for intelligent operations.

2015

NFC in Maintenance & FM

Infraspeak launches the first maintenance and facilities management platform that supports NFC technology.

2016 | 2017

Over 200% growth per year.

Infraspeak increases its revenue by 237% during 2017, after hitting 243% growth in the previous year.

2018

1.6M EUR raised in Seed investment.

After an early investment by Caixa Capital (PT) and 500 Startups (USA), Infraspæk gets Firstminute Capital (UK), Innovation Nest (Poland) and Construtech Ventures (Brazil) raising a total of 1.6M € in investment.

2019

Expansion to multiple markets

Already well-established in Portugal and Brazil, Infraspæk opens offices in London and Barcelona.

2019

3M EUR raised in additional investment.

Portuguese venture capital fund Indico Capital Partners invests €3 million in Infraspæk.

2020

Infraspeak Hub™ is launched.

Now, anyone can build their own Infraspeak connecting native apps, other software, and IoT devices.

2021

Infraspeak launches Infraspeak Gear™.

The unique, intelligent core at the very center of our intelligent maintenance management platform.

WE ARE ONLY ONE PERCENT DONE

2021

14M EUR raised in Series A Investment

We close a €14M round of investment, adding Knight Capital to our board of investors.

2022

Going even further!

Infraspeak expands to France, Germany, Austria and Switzerland, and reinforces its presence in Latin America.

LET'S TALK ABOUT INTELLIGENT OPERATIONS

What's so innovative about our IMMP?

MEET **INFRASPEAK**

The Intelligent Maintenance Management Platform (IMMP)

Infraspeak streamlines your entire operation and transforms its data into real actions with immediate impact on your business.

- Any Size
- Any Industry
- Any Location
- Any Challenge!

It's a Platform

THE MOST FLEXIBLE

Build your own solution by combining apps, software integrations, and devices in Infraspak Hub™.

- Native Apps
- Software Integrations
- IoT & Hardware

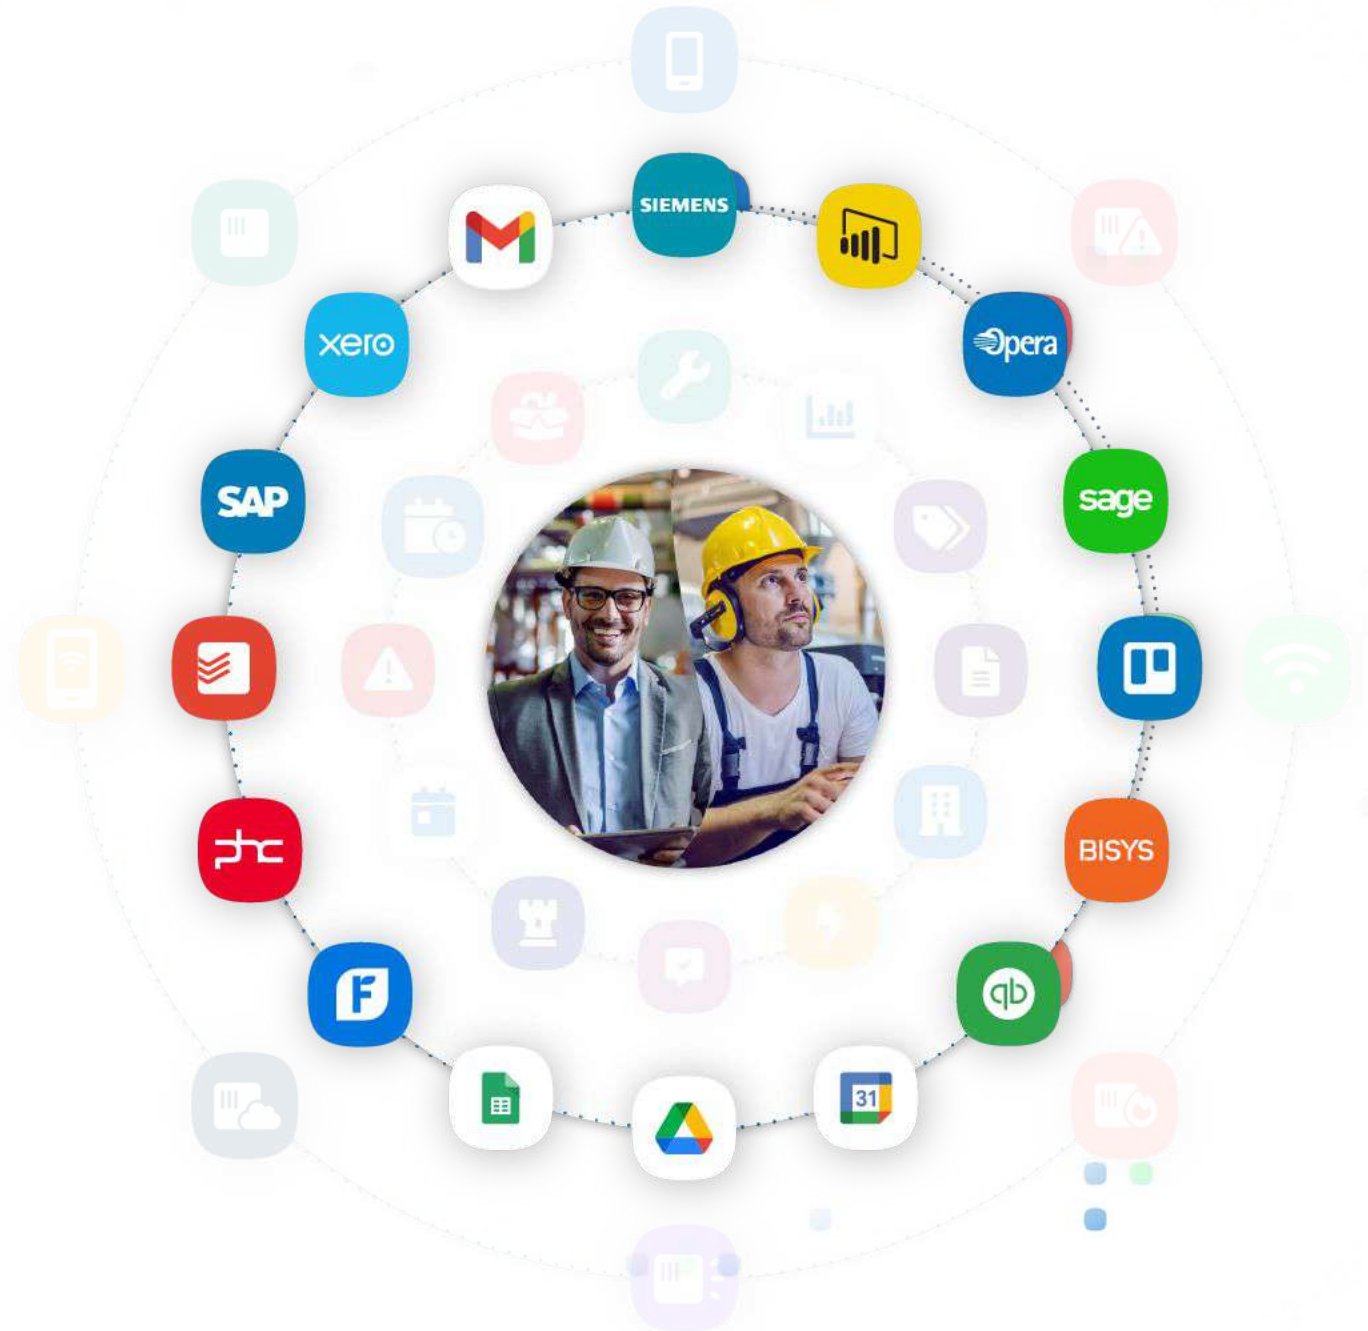

The screenshot displays the Infraspak Hub interface. At the top, there's a navigation bar with 'INFRASPEAK Hub' and several menu items: Home, Apps & Addons, Integrations, IoT & Hardware, Editor's Pick, and What's New. Below the navigation bar, there's a large purple banner for 'Quotes' with a sub-header 'Quotes' and a description: 'It helps you take decisions and makes all Infraspak Apps, your hardware and any software work together. It's magic!'. To the right of the banner is a preview of the Quotes application interface. Below the banner, there are three vertical cards: 'Keep tabs on your water consumption with the Utilities App', 'Optimise your energy spending and consumption.', and another 'Keep tabs on your water consumption with the Utilities App'. Below these cards is a section titled 'Apps' with a grid of application cards. Each card has an icon, a title, a brief description, and a 'Connect' button. The 'Dashboard' card is highlighted with a mouse cursor. The 'Assets' card has a 'Connected' status. The 'Work Orders' card also has a 'Connected' status. Other cards include 'Planned Jobs', 'Calendar', 'Requests', 'Sales', 'Analytics', 'Planner', 'Stock', 'Purchases', and 'Documents'.

● It's Connected

THE MOST INTEGRATED

Integrate Infraspark with your ERP, CRM, IoT Hardware, and all your favourite tools.

- ERP, CRM, PMS, Accounting, ...
- IoT devices, Smartphones, ...
- Dozens of other apps and devices.

● It's Intelligent

THE MOST INTELLIGENT

Infraspeak Gear™ makes our platform work for you — not the other way around. It's like magic!

- Task Automation
- Intelligent Suggestions
- Critical Alerts

The screenshot displays a user interface for work order management. A central list of events includes:

- 2 days ago: John S. resumed Work Order (with a Gear icon)
- 2 days ago: John S. paused Work Order
- 2 days ago: John S. started Work Order
- 5 days ago: Stan approved Work Order
- 5 days ago: Gear assigned John S. to Work Order (with a Gear icon)
- 5 days ago: Gear created Work Order (with a Gear icon)

Two pop-up notifications are overlaid on the interface:

- Gear's Suggestion:** Shows an image of a rooftop chiller unit. It lists two asset tags: **HVAC.ROOFTOP** Rooftop Chiller and **1.EXT.RT** Company HQ · Rooftop. It includes **Add Asset** and **Dismiss** buttons.
- Preventive Plan Prompt:** Asks "Would you like to create a Preventive Plan to this asset?". It features a [Read more about Preventive Plans](#) link and a **Create a Plan** button.

● It's for Everyone

THE MOST USER-FRIENDLY

Online and offline, on a computer or on your smartphone, behind the desk or in the field.

**It's much more
than technology.**

Expect **Excellence**

Unlimited Support

Intelligent maintenance management consultancy at your service.

Dedicated Manager

A name and a face you trust, there for you at all times.

Infraspeak Academy™

Learn to make the most out of your Infraspeak at your own pace.

Expect **Innovation**

NFC Technology

Validate technicians presence on site and gain control over your operation.

Seamless Integration

Integrate with your favourite external software in days, not months.

Infraspeak Network™

Connect with all your suppliers in the same place.
