

Driving success together.

THE PMO & PROJECT MANAGEMENT CONSULTANCY

Your PM & PMO consultancy.

Helping companies to convert their big ideas into reality

Partners in Project Management, our global team is driven by excellence, creativity and pragmatism.

Our unique ability is both to advise on how to implement major projects and business transformation initiatives; and to provide the people, tools and technology to follow through on those recommendations.

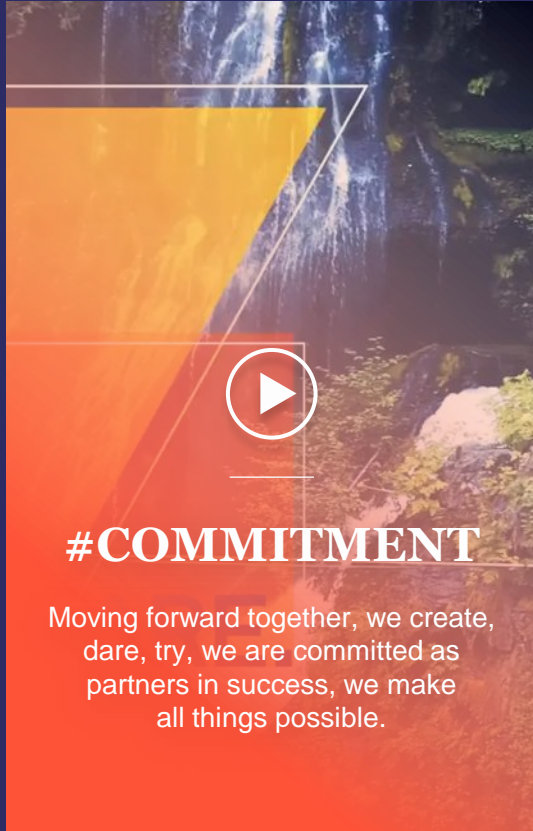

Our purpose

Support companies who design and build high-technology products & services, accelerating innovation.

Our DNA.

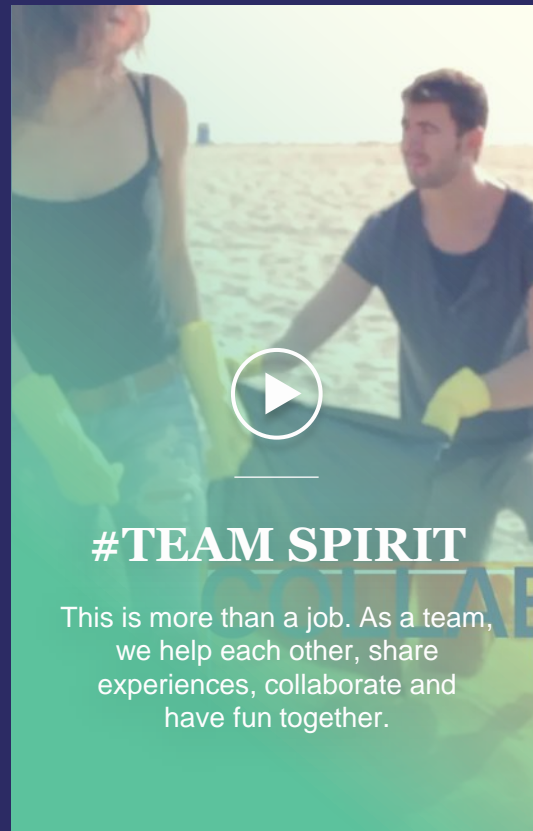

#COMMITMENT

Moving forward together, we create, dare, try, we are committed as partners in success, we make all things possible.

#EXCELLENCE

We are driven by passion, we do not stand still, pushing the limits of performance every day in the pursuit of excellence.

#TEAM SPIRIT

This is more than a job. As a team, we help each other, share experiences, collaborate and have fun together.

A trusted global partner.

Our services.

We help our clients to set-up, improve, run and transform their project management organizations, successfully bringing their innovations to market.

PMO & Project delivery

Tailored to help you set-up, define, and **deliver** what's most critical.

Digital dashboards

Leveraging information to enable **data-driven decisions** to optimize performance.

Portfolio management

Guide in selecting and delivering the right projects to deliver targeted benefits.

PPM services & solutions

Integrate people, process, and tools to deliver real-time decision-making.

PM improvement

Targeted roadmap to **strengthen** operational performance and drive efficiencies.

Change management

Solutions to help ensure your people are on board to **adopt** the change at hand.

Business agility

Implementing new ways of working in a simple effective manner to **accelerate** delivery.

Lean innovation

Blending the latest approaches in lean and agile to **streamline** value delivery.

PMO Operations.

Unlock confidence in delivery

Greater flexibility, greater execution - where and when you need it. Our PPM specialists possess a wide range of cross-discipline Project, Program, Portfolio, Change and PMO skills.

We offer the ability to scale PMO resources and capabilities as necessary to deliver your current portfolio of projects. We hit the ground running, quickly providing the structure, visibility, insights and expertise required to deliver your projects.

Key differentiators

Depth of expertise

Trained and certified consultants across methodologies including PMP®, PRINCE2®, Agile, CSM®, SAFe® and Prosci®.

Continuous improvement

Relentlessly and proactively analyse performance focused on improving delivery.

Independent

Proactively highlight issues where others might paint a rosier picture.

Network & community

Reach back across industries through established Communities of Practice fostering knowledge sharing across teams.

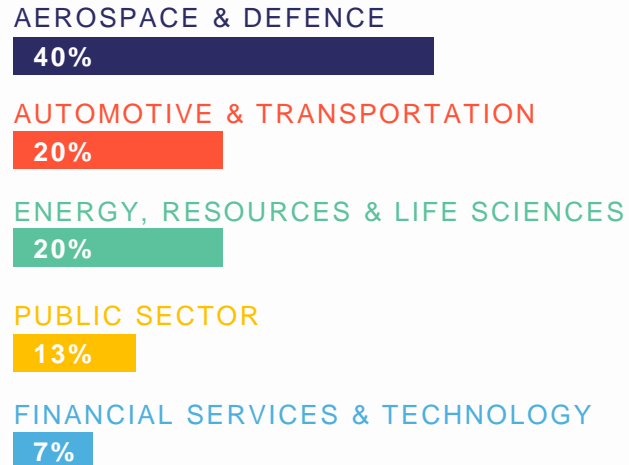

Extended services

Optimizing the delivery of mature established teams, across geographies, time zones, languages with no impact to service quality.

Our top 10 clients.

We have become the trusted delivery partner of the most recognisable brands.

Corporate Social Responsibility goals.

Our CSR Program is structured along 3 core pillars containing a portfolio of goals and projects, based on ISO 26000 standards and the UNSDG*. Beyond just corporate priority, we genuinely feel at MP it is our individual responsibility to act.

Deliver Green together

- 1** **Protect the environment** by reducing the impact of our activities on natural resources.
- 2** **Support our clients to develop** environmentally friendly solutions.
- 3** **Encourage our people** to actively participate in **responsible innovation**.

Reach Equity, Diversity & Inclusion

- 1** **Promote diversity and equal opportunity** by fighting against discrimination.
- 2** **Act with integrity and ensure compliance** with applicable laws and regulations.
- 3** **Support solidarity programs** in line with our Group's values.

Secure Safety & wellbeing at the workplace

- 1** **Take care about our people's health,** their safety, security, their work environment and wellbeing.
- 2** **Guarantee working conditions** that respect fundamental rights.
- 3** **Unite our partners** around our values.
