

Destination Services

Our destination services support families as they begin their lives in a new place. Having coordinated more than 65,000 relocations, we can help with everything from finding a new home, to choosing the right school, to opening a bank account. Because of our close relationship with our 78,600 active customers, we understand that moving can be an overwhelming experience; our experts will respond to what you need most.

YOUR JOURNEY STARTS HERE

Exploring the world and finding new homes in new places is what makes humans human. We make relocating an exhilarating experience for our customers; a pleasure not a pressure. Let us guide you through your entire relocation process; from home, to new home and beyond. Whether you are moving across town or around the world, we will make sure that your new place feels amazing; somewhere that already feels like home.

You know better than anyone what you and your loved ones need to settle into your new home, that is why our services are designed to support you. Please contact us if you have any questions, we are happy to help.

We make it easy

We enable people and organisations to work, live and thrive in new places around the world. Our mission is to deliver exceptional relocation experiences for our customers. We cover the entire relocation journey.

Immigration

Santa Fe Relocation provides assistance and advice when securing visas and work permits on a global scale. We coordinate and manage any application process with the relevant authorities on your behalf; ensuring that all paperwork and visas are compliant with local requirements. Services include: application support, work permit processing, re-entry permits, notarisations, translations, renewal tracking, local registrations and strategic immigration consulting.

Area orientation

Area orientation is a valuable service that helps you and your loved ones decide which local area is right for you. Santa Fe Relocation's area orientation service includes a tour with a professional guide with local expertise. Each tour is adapted to suit the interests of you and your family, so that you can learn everything that you need to know about working, living and thriving in your new home.

Cultural and language training

Santa Fe Relocation designs flexible cultural and language training programmes, based on a professional assessment of your needs. We cater this service specifically for you, by conducting a thorough analysis of your individual requirements. So, to make sure that you have all the skills you need for your upcoming relocation, we create formal training programmes based on your circumstances.

Temporary housing

Temporary housing is a service that provides high-quality and convenient accommodation for you and your family, before you move into your permanent home. Santa Fe Relocation offers a range of temporary housing options to suit all living requirements, including serviced apartments and short-term lets. Our relocation professionals are experienced in finding the most suitable home for you at the most cost-effective price.

About Santa Fe Relocation

Santa Fe Relocation is a global mobility company specialising in managing and delivering high-quality relocation services worldwide. Our core competence is providing services that help corporations and their employees relocate and settle in a new country. These services are delivered to a consistently high standard, locally and globally, and managed through our own operations around the world. Home finding

Santa Fe Relocation provides a flexible home finding service, designed to secure the best value property within your budget and ensure the long-term success of your relocation. We work closely with property professionals to provide local market knowledge and expertise. Using our detailed needs analysis check, global network of providers, lease negotiators and itinerary/budget planning, we make sure that your needs always come first.

School search

If you have children, we understand that securing the best home and school location for your family is critical. To make sure that you and your family make the best decision, Santa Fe Relocation provides a professional school search programme that considers your existing and future education plans. We support specialist education requirements, carry out needs analysis, compare options, set up school interviews and manage a global network of consultants.

Settling in

Santa Fe Relocation's settling-in service helps you and your family through the vital first few months of your relocation. Our comprehensive array of services allows you to focus on the more important things, like exploring your new home and putting the happiness of your loved ones first. Our settling-in services include: banking services, neighbourhood orientations, auto purchases/leases, healthcare searches and both automotive and property insurance services.
