IN THE LUNGS OF THE CITY.

2200M2 located between **Foz do Douro** and **Matosinhos**, **Edifício Transparente** embraces the Porto and Matosinhos waterfront, emerging at the confluence of Avenida Brasil, in Foz, with the western entrance of **Parque da Cidade**.

The privileged location, sea view and wide range of services make this space one of the best to work in.

WHAT WE OFFER?

GROW IN

Access to all Work-In **activities** and **events!**

TALKS

Workshops and debates to inspire Work-In members and partners. Format designed for presentation and discussion of ideas, with the main purpose of creating synergies. The themes of the talks will be related to current themes and trends.

WELNESS ACTIVITIES

YOGA
BOXING
SURF

Whether it's yoga, surfing or boxing, nothing makes the brain work better like physical activity. In Work-In sports groups the goal is to strengthen and cultivate team spirit with direct impact on the motivation and involvement of members inside and outside the companies.

SOCIAL TIME

It is important to have a balance between personal life and work. Work-In provides leisure moments to all its members - concerts, after-work drinks, thematic workshops are some examples of the activities you will have access to.
